July, 2013

### Conservation Identifies Concern with the Setting Lake Dump

A letter has been received from Environment Officer David Hardisty regarding an unannounced inspection of the Setting Lake Waste Disposal Grounds and Waste Water Treatment Facilities. Overall, our facilities were found to be performing extremely well, but one significant concern was identified that requires attention. Plastic and domestic waste appeared to be mixed in the burn pile and the signage outside of the burn pile was covered with bird droppings making it difficult to read. We have been directed to ensure 1) all of these types of materials (domestic waste and burnables) are separated into two distinct piles and 2) the signage can be clearly read. The executive will arrange to replace the signage at the burn pile with a new sign. Cottagers are encouraged to respect our dump rules. Dump where indicated, do not bring refuse from town and take recyclables including e-waste into town whenever possible. We have heard of other dumps in the region being closed. If this were to happen here, cottagers would be forced to pay a fee at another municipal dump such as the one at Wabowden.

### NOTES

Lagoon Mowing is scheduled for Saturday, July 13 at 10:30 a.m. Bring a lawn mower and/or trimmer.

ANA is no longer providing monthly financial reports. They are now issuing quarterly reports.

A big thank you to the 78 cottagers who attended the AGM, the 50 cottagers who participated in the Dump Clean Up and the 37 cottagers who attended the Fire Practice this year.

The Setting Lake Fire Brigade is receiving a fire truck donated by the Paint Lake Fire Department. The Fire Hall is being expanded. Please watch for calls for help on work crews over the summer.

Welcome to Pamela Joy who has replaced Leo Poulin as Cottage Administrator at ANA in Thompson.

### 2013-2014 Executive

President	Hugh Fraser
