Service Levy Increase Proposed for 2016

The SLCOA has spent down its surplus to the point where our operating surplus for 2015 is projected to be \$1,466.90. We have been deficit budgeting for a number of years as we have not asked for an increase in our levy. We have no further surplus to draw on, so an increase in levy is necessary to maintain even basic services.

For 2016, we are faced with additional expenses to bring our dump and lagoon into compliance with current provincial guidelines. We are required to build a proper burn cell, provide a full time attendant and bring our lagoon into compliance with changing provincial requirements.

For 2016, we are faced with upgrading our fire fighting equipment and providing modern turn out gear and more training to our volunteers. We have learned from ANA that the nearest community (Wabowden) is under no obligation to provide fire protection to us and our efforts to discuss the situation with that community's officials have, to date, been fruitless. We are discussing our fire protection needs with the Office of the Fire Commissioner.
