Roads Roads have been graveled. Concerned with kids tearing up the roads with dirt bikes or quads. Gravel needed at the end of Road 4.

Dump/Lagoon Sign needs repair. Mowing will be arranged for later in the month. Contractor to be hired to pull metal from the dump. Still an issue with stumps and roots being dumped on the wrong side of the dump road. They need to be dumped off approach into the actual dump area. Sign will be posted. Looking at purchasing a barbecue and folding chairs for the Fire Hall in the Fall sales. Lagoon is looking good.

Fire Procedures for dump burning reviewed. The Dump chair asks that a permit be arranged. Natural Resources in Wabowden is approached and they either grant or deny the permit. Once the permit is in place, volunteers are called on to burn the dump during off hours. The Fire Chief needs to be informed and Fire Brigade volunteers need to be in attendance with the fire trailer. Fire practice went well. Equipment evaluation is ongoing. Occurrence Book is in place in the Fire Hall. Lloyd White has priced materials to complete the Hall. Decided we go with the tan coloured siding. Our Hydro permit expires in August but can be renewed at no cost.
